Himuro Yukina
THE ABSOLUTE ZERO SNOW WOMAN! WHO'S INSIGNIFICANT IN SCHOOL'S ACTUALLY THE VERY POPULAR PHONE NOVEL SITE YUPINA. A 9TH GRADER WHO'S IN THE MIDDLE OF STUDYING LOVE?
Kitami Shigure
A LOVE TARGET AS YUKINA'S CLASSMATE. HE'S POPULAR FOR BEING A KIND STUDENT BUT IN REALITY HE HAS A BAD PERSONALITY?

•Yukina is in the middle of gaining life experience for her secret phone novel. What troubles Yukina is that she doesn't have experience when it comes to love. For her reader's sake, she has must somehow get some personal experience with love situations. Yukina knows what's behind Shigure's face after picking up his student note-book and uses that material to threaten him. [Please fall in love with me]

•As Shigure couldn't touch her because she had the material he gave her a hug, but Shigure soon found out what Yukina's weakness was. It was that ever since her trauma from the time she was in kindergarten, she was unable to look at people's faces if she didn't have her glasses.

•The one who saved her when she was unable to concentrate was Akira. Akira hugged her and said [I will become Yukina-chan's lover]~!!
